RESPONSE TO OFFICE ACTION

Sir:

This paper is herewith filed in response to the Office Action mailed on June 13, 2008, for the above-captioned U.S. Patent Application. As this paper is filed within one month after the expiration of the shortened statutory period (October 13, 2008, as Columbus Day, was a non-business day), please consider this paper as a petition for a suitable extension of time. Applicant petitions for a one-month extension of time in which to file this response and authorizes the USPTO to charge deposit account no. 50-1924 in the amount of \$130 for the extension fee. No further petition or fee is believed to be due. However, should the undersigned agent be mistaken, please consider this a petition for any extension of time that may be required to maintain the pendency of this Patent Application, and charge deposit account no. 50-1924 for any required fee deficiency.

Please amend the application as shown below.
